| HOWREY LLP | Case No. CV10-1902 JF (HRL) Notice of Compliance and Request for Approval Regarding Disclaimer For Online Advertising DM_US:23339013_1 | | |

1 Fisher-Price, Inc. and Mattel, Inc. ("Defendants") are making their best efforts to comply with Court's directive that Defendants incorporate a disclaimer into their online advertisements for the iXL 2 toy product. The Court's June 15th Order outlined the following disclaimer: Fisher-Price's iXL Learning System and related software bear no 4 relationship to IXL, "The Web's #1 Math Practice Site," owned and 5 operated by Ouia Corporation and accessible at http://www.ixl.com. 6 Defendants are very hesitant to proclaim that Quia's IXL website is "The Web's #1 Math Practice Site," as there appears to be no substantiation for that claim. In fact, Quia's president Mr. 8 Mishkin admitted in his deposition that the alleged "#1" ranking was not based on any study, analysis, 9 or independent ranking, but based on Mr. Mishkin's opinion alone: 10 Q: ... So, my question is: Is the "No. 1 math practice site," this is according to Mishkin? A: Yeah, it's according --11 **Q**: Okay. A: It's according to me. 12 O: Okay. 13 A: There's no third party --**Q:** Okay. 14 **A:** -- who gave us that distinction. 15 Mishkin Depo. 49:6-52:15 (pages attached as Exhibit A hereto). 16 Defendants are concerned about creating the perception that they endorse Quia's claim or that 17 Defendants' are complicit in perpetuating it. Additionally, Defendants note that the "Web's No. 1 18 Math Practice Site" language did not appear in any disclaimer suggested by Quia. See Docket No. 60 19 at pg. 2. 20 Accordingly, Defendants have made a slight revision to the disclaimer that removes the above-21 language but describes IXL as an "Online Math Practice Site," which Defendants would ask the Court 22 to approve: 23 Fisher-Price's iXL Learning System and related software bear no 24 relationship to the IXL Online "Math Practice Site," owned and operated by Quia Corporation and accessible at www.ixl.com. 25 26 27 -1-28

| 1 | To ensure that a disclaimer is posted in a timely fashion, Defendants are incorporating one with | | |
|----------|--|--|--|
| 2 | the above-language, but should the Court decide that it wants the verbatim language in its June 15th | | |
| 3 | 3 Order, Defendants are prepared to immediately change | Order, Defendants are prepared to immediately change the disclaimer. | |

1
         A. Uh-huh.
2
             "Excel in life"; right?
         0.
3
         Α.
             Right.
              "Where I excel in math"; right?
4
         Q.
             Yes.
5
         Α.
             And then, "The Web's No. 1 Math Practice Site";
         Ο.
    right?
7
8
             That's right.
         Α.
             Is it, in fact, true that Quia's IXL Math is the
    Web's No. 1 math practice site?
10
              Well, that's our marketing slogan.
11
              I think it's the best math practice site.
12
              As far as how you define "No. 1," it's -- I
13
    would say it's the most complete math practice site.
14
              There are about -- there are over a thousand
15
     different math topics or math skills that you can
16
     practice in the grade levels we cover, pre-K through
17
     6th grade.
18
              So, I don't know of any site that has more than
19
20
     that.
              As far as number of visitors, number of
21
     subscribers, I don't know.
22

- law firm, Howrey, and you'll see on there, "Howrey, the
- 2 No. 1 IP firm -- intellectual property firm -- in the
- 3 world."
- 4 That's according to Chambers or it's according
- 5 to this or according to about five or six different
- 6 sources, not that I'm trying to do an advertisement.
- So, my question is: Is the "No. 1 math practice
- 8 site," this is according to Mishkin?
- 9 A. Yeah, it's according --
- 10 Q. Okay.
- 11 A. It's according to me.
- 12 Q. Okay.
- 13 A. There's no third party --
- 14 Q. Okay.
- 15 A. -- who gave us that distinction.
- 16 O. Okay. Now, let's look at the third page of
- 17 Exhibit 7.
- This is the one where you have "IXL" and then
- 19 right underneath it, it says "I," -- capital "I," new
- word, "e-x-c-e-l," "in math"; right?
- 21 A. Yeah, it says that.
- 22 Q. Now you're spelling it right out, what "IXL"
